"Who journey from our world, never leave our hearts."

We Only Wanted You

They say memories are golden, well maybe that is true.

We never wanted memories, we only wanted you.

A million times we needed you, a million times we cried.

If love alone could have saved you, you never would have died.

In life we loved you dearly, in death we love you still.

In our hearts you hold a place no one could ever fill.

If tears could build a stairway and heartache make a lane,

We'd walk the path to heaven and bring you back again.

Our family chain is broken, and nothing seems the same.

But as God calls us one by one, the chain will link again.
