CINDY "CINDERELLA" HILO HAMILTON

It has been almost 3 years since my precious CINDERELLA went to Rainbow Bridge but I think about her everyday.

You were always the life of the party, willing to wear a party hat for anyone's birthday. You were my car buddy, my walking partner, saw my life during GOOD and BAD times. We moved many times with the Military from state to state but you never cared just as long as you were with ME. Many things have changed since your passing but one thing has not, I still taken in any stray that needs me and that is why my home is full of wonderful dogs. Someday we will all meet you at RAINBOW BRIDGE and that is going to be one HECK of PARTY... Can't wait to see you and all the pets who have touched my life through the years.... I will be the one with lots of Tennis Balls and Party Hats.... SEE YOU THERE my PRESIOUS ONE.
