Valero Donates Van to San Antonio Humane Society

Valero generously donated a gently used cargo van to the San Antonio Humane Society's (SAHS). With four vehicles nearing the need for replacement, the SAHS would not be able to afford this expense without the support from local community organizations like Valero.

“We are truly grateful for their contribution to our fleet, which allows us to focus our resources on the mission of protecting and improving the lives of dogs and cats,” says Nancy Najim, SAHS president/CEO.

The van, along with a passenger vehicle and two box trucks, will help serve the transportation of supplies and pets for various initiatives including transport spay/neuter services and adoption events.

Not only was the vehicle donated, but Valero employees donated many items from the [SAHS wish list](#) including paper towels, dog food, toys, and swimming pools.

“This donation and donation drive are simply tokens of Valero's dedication to the San Antonio Community and animal welfare,” says Andrea Lutz, Valero's senior counsel, and SAHS board member.

San Antonio Humane Society Info: *The San Antonio Humane Society is a non-profit, no-kill organization that has served Bexar County and its surrounding areas since 1952. Every year, the Humane Society shelters, medically treats, and rehabilitates over 5,000 animals that have been injured, abused, or abandoned until they are ready for adoption. Our mission is to protect and improve the lives of dogs and cats by providing shelter, care, adoption, rescue, spay and neuter programs, and community education.*
