Hello wonderful people,

I just celebrated my first Thanksgiving with my family. Even though I had to go outside, I got to eat freshly cooked turkey and it was yummy.

My Mommy tells me she looked for me since April after the family lost their 12 year old Sheppard. My big brother Bull, was sad and needed a new friend. In June, I saw her and knew she would give a me a great home so I gave her kisses and let her play with me. Guess what she choose me over all the other dogs. I am sure a lucky dog. They named me Lacey since I am black with a white stripe down my chest.

I have 2 big brothers, Bull, a yellow 12 year old lab and Skeeter, a 2 year old cat. I have fun playing with both of them. Bull has taught me so much like don't hurt the cat, how to use the potty, stay off the couch, stay in the front yard and tricks. I like to play string with Skeeter. I pick up the string and shake it around so the cat can chase it. Mom and Dad laugh when we play, I like that.

I get to go camping, over to friend's houses, chase a toy, and so many others exciting activities. My Daddy wants me to learn to ride in the boat but I am not too sure about that. I love the water and want to play in it but I am scared of the boat. I will try again when I get older; maybe I won't be so scared then.

Thank you for taking care of me when I did not have a home and making a place for people to visit with me. I am thankful for the people who took care of me and made sure I was off the streets and a in a good home.

Gotta go chase the cat...
