

Mr. Dorian M.D.

Here are some pictures of Mr. Dorian M.D. that I thought I would share with you! He has been happy in his new home for a couple of weeks and thought I would share some photos with you all for a success story. He had been at your shelter for 2 months I'm assuming because he was heart worm positive. He has one treatment left next Monday and he should be good! The last picture is his 1st bath since coming from the shelter.

Thank You,
Liz and Dorian M.D.
