

# Penny

We adopted Penny (her SA name was Xena) 1 year ago...She was currently in her second stay at the Shelter and she had been there several months. We loved that we were able to come over and walk dogs and spend time with them, so we could choose the right one for our personalities! We are proud to say that she is such a great addition to our family! Not only has she been a great dog at home, we recently moved our business onto a 6 acre lot and she's also a fantastic shop dog! She runs around and has fun and doesn't go far or run off the property...Here she is in the company truck. She's totally a daddy's girl :).
