

2016 Annual Report

We are not affiliated with the Humane Society of the United States (HSUS) or the American Society for the Prevention of Cruelty to Animals (ASPCA) and do not receive regular financial support from them. Therefore, by donating locally you help us continue our mission to protect and improve the lives of dogs and cats.

Charitable Revenue

Community support includes pledges and contributions from individuals, corporations, and foundations; revenue received from newsletters and mail campaigns; and donations received from memorials and the website.

Program Services Revenue

Includes fees from pet adoptions and surrenders, spay/neuter services, volunteer orientation, wellness clinics, and Humane Education programs (e.g. Camp Humane).

Investment Activity

Investment activity includes realized and unrealized gains and losses, as well as change in values of assets held.

 Euthanized†

† In a shelter environment, it is impossible to have a 100% live-release rate. The shelter only euthanizes animals that we are unable to treat, have a condition that poses a significant threat to other animals in the shelter, or that cannot be rehabilitated.
