

# FACT SHEET

The San Antonio Humane Society (SAHS) is a **nonprofit, no-kill organization that has served Bexar County and its surrounding areas since 1952**. As a local nonprofit, we do not receive government funding and are not affiliated with nor receive regular funding from the Humane Society of the United States or the American Society for the Prevention of Cruelty to Animals. The most effective way to positively change your local community is by donating to your local nonprofit.

## Our Mission:

To protect and improve the lives of dogs and cats by providing shelter, care, adoption, rescue, spay/neuter programs, and community education.

Many of the dogs and cats in our care have been abused, injured, surrendered by their owners, or found as strays. As a no-kill organization, every treatable pet in our care stays in our care until they find a home.

## Brooks Spay/Neuter Clinic:

Opened in March 2017 on the city's Southside and operated by the SAHS, the clinic offers low-cost spay/neuter and wellness services to public pets in and around San Antonio.
