All persons MUST provide a photo ID before the child will be released into his/her custody.

**Service Camp participants will receive 25 hours of volunteer time for the week.*

Camper Health History

The SAHS Staff and volunteers are unable to administer medication to any child. The SAHS is not responsible for any lost or stolen medication, or ensuring that your child takes his/her medication. This is the sole responsibility of the child and the parent/guardian.

Medical Conditions:

Does your child have any medical issues we should be aware of? (Include allergies, developmental disorders, mental disorders, history of dizziness or fainting spells, seizures, etc.).

Disclaimer: Campers may be introduced to many types of animals during their camp experience, including dogs, cats, exotic pets, livestock, and wild animals. If your child has a severe allergy to animals, you must check with an SAHS Humane Educator prior to registration to determine if Camp Humane is a safe option for your child.

****The SAHS Camp Humane Programs are not licensed by the Texas Department of State Health Services.**

Please share any information concerning your child's behavior that may affect his/her time at camp. (This includes shyness, socialization difficulty, stress issues, fear of animals, sensory sensitivity, or any behavioral issues. Please note that any behavior issues that result in risk to others, including animals, will lead to your child being asked to leave camp either for the day and/or for the rest of the week).

I know no reason(s), other than the information indicated above, why my child should not participate in Camp Humane activities. I agree that my child can be released to parent/guardian, emergency contact, or anyone on the camper pick-up list. I understand that an ID will be checked at pick-up time to ensure my child's safety.

Waiver Statement & Code of Conduct

1. I understand that part of the camp's (not licensed by the Texas Department of State Health Services) program is educating young people on how to handle animals, and that every precaution is made for my child's safety and well-being. Whenever working with animals, I know there is always a risk of injury. On behalf of myself, my heirs, personal representatives and executors, I hereby release, discharge, indemnify, and hold harmless the San Antonio Humane Society (SAHS), its agents, servants, and employees, from any and all claims, causes of action, or demands or injuries which may be incurred or sustained by my child in any way, including, but not limited to, animals bites, accidents, or injuries.
2. I hereby allow the SAHS to use any photos, videos, or other recordings taken of my child in promotional materials (including, but not limited to, television, radio, written publications, SAHS website, and social media).
3. In case of injury to my child, I request the SAHS contact me. If they are unable to reach me or my emergency contact, I authorize the SAHS to make whatever arrangements they deem necessary, including, but not limited to, transporting my child to an emergency room or clinic.
4. I understand that my child needs to dress in their Camp Humane T-Shirt (given to the campers on the first day of camp, which they are allowed to change into in the SAHS public restroom), knee length shorts or pants, and closed-toe shoes with rubber soles. I further understand the crafts and activities taking place at this camp may cause damage to my child's clothing and other items brought to camp, and that the SAHS is not liable for any damaged or lost items.
5. I have included all known medical and behavioral issues that affect my child on the health history form. I understand that my child must adhere to all rules and expectations set forth by the SAHS staff and volunteers. I further understand that if my child is disruptive, refuses to participate in activities, continually breaks rules, puts other campers or animals in danger, or is involved in any confrontations, they may be dismissed from Camp Humane and asked not to return. In the case of dismissal, no refunds will be issued. The decision to dismiss a child is at the sole discretion of the SAHS, and I understand that this decision will be final. If my child is dismissed during a day of Camp Humane, I understand that I will be contacted to pick them up immediately.
6. I will not allow my child to bring any pets or electronic devices with them to Camp Humane. If a phone is needed for contacting parents, it must be kept out of sight. The SAHS is not responsible for lost or stolen items.
7. I understand that my child will be exposed to many types of animals throughout their camp experience, and I certify that this contact will NOT negatively affect their health due to allergies or other known medical issues.
8. I understand that the SAHS is not liable for any food allergens that my child may be exposed to from fellow campers, volunteers, or staff lunches or snacks.
9. I understand that my child will be performing some outdoor activities (no more than 2 hours a day), and that they may be exposed to sun and bugs. I agree to put sunscreen and bug repellent on my child each morning before dropping them off at camp.
10. I will speak with my child about the importance of participation in all activities at Camp Humane. Although the SAHS attempts to balance the day with hands-on time with animals, lessons on proper pet care, presentations from animal experts, crafts, and games, we realize that not all campers will enjoy every activity. Campers still must participate and be respectful to staff, volunteers, fellow campers, presenters, and animals.
11. I agree to explain the above policies and rules to my child prior to Camp Humane.
12. I certify that I am the above mentioned child's parent or legal guardian.
