FAQs

1. What is Click & Pledge Connect?

- Click & Pledge Connect is a peer-to-peer social fundraising platform powered by Click & Pledge. Fundraisers can create personal fundraising pages for any Campaign related to a non-profit organization and collect donations for that organization.

2. I forgot my password, how do I reset it?

- If you forget your password for your Fundraiser Login, please click the “Reset Password?” click and the bottom of the sign in page. Click & Pledge Connect will prompt you to enter the email address you used to initially sign up and email you a link to reset your password so you are able to access your account again.

3. What is the difference between my El Rey Fido Fundraising page and my Global Profile?

-Click & Pledge Connect allows you, as the Fundraiser, to have multiple different fundraising pages at one time so that you could be contributing to multiple campaigns at the same time. Your Global Profile is your “parent” profile for all of your Fundraising pages. For instance, your El Rey Fido 2019 fundraising page is nested under your Global Profile and next year, if you participate again, your El Rey Fido 2020 Fundraising Page would be nested under the same Global Profile, allowing you to use the same login information from year to year.

4. Can I enter offline donations?

-No. You cannot enter offline donations (cash or check donations dropped off at the front desk) into your Fundraising Page. The SAHS will be keeping detailed record of both online and offline donations to ensure that all Fundraiser’s totals are accurate. If you have a question about any of your donations, please contact the Donations Department at 210-226-7461 ext. 100 or by email at donations@sahumane.org.

5. I’m having technical difficulties with my Fundraising Page, who do I contact?

-If you are experiencing any technical difficulties with Click & Pledge or your Fundraising Page, please do not hesitate to reach out to the Donations department at 210-226-7461 ext. 100 or by email at donations@sahumane.org.

6. Is there a credit card transaction fee associated with Click & Pledge Connect?

- Yes. Click & Pledges charges organizations \$3.75% +\$0.35 for every transaction processed. Our donors have the options to offset this expense for the SAHS by accepting the “Additional Fee” option at the time of the donation.
