2011 FINANCIAL REPORT

Donations are an integral part of our organization. Because of your support, along with the support of others in our community, we are able to ensure that our mission to save and shelter homeless pets is always proactive and never forgotten. Each donation also brings us closer to our ultimate goal of one day making San Antonio a city with no homeless pets.

Public Support Revenue

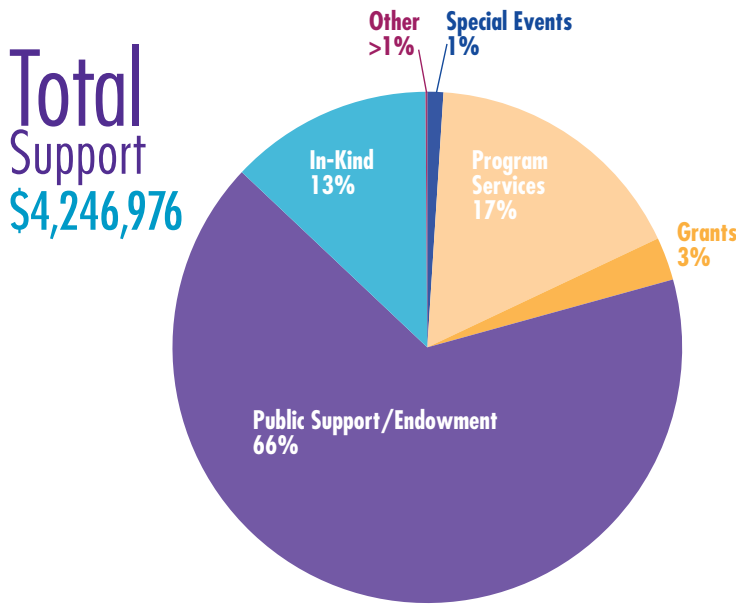

Mail campaigns, newsletter revenue, unsolicited public support revenue, pledges, memorial/tribute donations, donations made through our website, grants from local foundations, investment income, and endowment funds.

Program Services Revenue

Adoption revenue, surrender revenue, spay/neuter services, volunteer orientation fees, and Camp Humane fees.

Event Revenue

El Rey Fido & Paws on the Patio.

In memorial of and with special thanks to Helen Sims; her generous gift allowed the San Antonio Humane Society to pay off its mortgage and operate at a surplus during 2011. Because of her charitable donation, we are one step closer to reaching our dream of building an onsite shelter hospital.

Complete financial statements are available upon request or can be found on our website at sahumane.org. The San Antonio Humane Society's audit of financial information is conducted by Akin, Doherty, Klein, & Feuge P.C.
