JOB DESCRIPTION

The qualified candidate will provide basic technical support to the animal care operations.

Principal Duties and Responsibilities:

- Responsible for all laundry as well as maintaining a daily laundry cycle to ensure proper clean supply is available.
- Prepares and sets up animal kennels each evening according to specific instructions.
- Helps maintain clean kennels throughout the surgery day by removing and replacing soiled newspaper or towels as necessary.
- Responsible for becoming familiar with the names of surgical instruments used in a spay/neuter practice. Responsible for cleaning instruments and preparing them for further sterilization.
- Responsible for learning to use the ultrasonic cleaner and autoclave machines to clean and sterilize instruments.
- Responsible for ensuring the comfort, safety and well-being of all surgery patients.
- Rinses scrubs and disinfects animal cages, hallways, floors, and walls in designated areas; cleans water and food dishes and related kennel equipment and facilities.
- Monitors supply needs and communicate to Supervisor of what is needed in a timely manner.
- Maintain clean, orderly and sanitized work areas on a regular basis and learns area documentation.
- Identifies problems and notifies Supervisor or Lead Technician.
- Provides accurate information and friendly professional service to the public and to co-workers in a positive, courteous, truthful and tactful manner.
- Provides holiday and weekend coverage as required.
- Must support and demonstrate the agency's core values – Customer Service, Adaptability, Respect, Responsibility and Integrity.

Additional Duties and Responsibilities

- Assist with fundraising activities and special events as needed.
- Treats all animals humanely, with compassion and concern, both on and off the job and transmits these values to others.
 - Must be committed to a high standard of safety and be willing and able to comply with all safety laws and all of the employer's safety policies and rules and must be willing to report safety violations and potential safety violations to appropriate supervisory or management personnel.

Minimum Knowledge and Skills Required by the Job:

- Work requires the analytical skills to gather and interpret data in job related situations.
- Position requires 0-2 year's previous experience.

Physical Requirements of the Job:

- Must stand, walk, bend and stoop to perform duties.
- Must have the ability to perform prolonged physical activity.
- Must be able to stand for 8 hours.
- Ability to lift 50lbs.
- Will be expected to work weekends, holidays, and off hours.
- Job may require performance of tasks that involve potential for exposure to blood, body fluids, or tissues, animal and human.
- Potential for exposure to zoonotic diseases.
- Exposure to high noise levels when in kennel area.
- Potential for animal bites and scratches while handling animals.
