## **RASH OF STRAYS INJURED BY CARS**

### **UPDATE ON CATS BURNED IN HOUSE FIRE**

(San Antonio-TX) The last few days have been very busy for the Humane Society SPCA of Bexar County. A number of dogs and cats have come into the facility with injuries due to vehicles and other accidents. There have been over 5 dogs and cats that have been brought in for emergency care and rehabilitation this week alone. The Humane Society has a Rescue Fund set up to help in cases such as these.

Come out and meet the dogs and get the update on the burned cats today.

Akira- shepherd mix, front leg injury, hit by car, possible amputation

Dodge- Black Mouth Curr, open shoulder injury, broken ribs, hit by car

Lark-lab mix pup, hernia repair, run over by car in driveway

Chevy- lab mix pup, broken pelvis and back leg, found on highway

Cameo- lab mix pup, wound on back caused by possible chemical burn

Michis- Cat burned in house fire, now needing tail removed

*For information on donating to the Michael's Rehabilitation and Rescue Fund to help these animals, please visit our take action section, sick and injured page on our website at [www.humanesocietyspca.org](http://www.humanesocietyspca.org). For general information, call (210) 226-7461.*

The **Humane Society SPCA of Bexar County** is a non-profit organization whose mission is to find homes and provide temporary shelter for abandoned and unwanted animals, prevent cruelty to animals, promote the spaying and neutering of dogs and cats, and educate the community on responsible animal care.
