## **Sesame Adopted into his Forever Home at the San Antonio Humane Society**

San Antonio, TX (April 19, 2013) It didn't take long for Sesame to rack up a list of admirers from coast to coast, and even across seas, but one lucky family has captured his heart and given him the forever home he has been waiting for.

Teresa, a San Antonio resident, saw Sesame's story on the news and fell in love. She called the SAHS to inquire about his status and when she found out he was available, planned a trip to the shelter with her supporting parents by her side. Having owned several Shar-Pei's, Teresa says she knows they can require a little extra care and is ready to help Sesame make a full recovery and give him the spoiled life he deserves.

Though it is bittersweet to see Sesame go, the SAHS staff and volunteers are excited to see Sesame go home with such a wonderful family. "We live for days like this," says Seamus Nelson, Director of Communication, "to connect friends for life, especially with pets like Sesame who we have had the pleasure of spending time with and getting to know while we helped him heal."
