Media Dog JD Available for Adoption at The San Antonio Humane Society

San Antonio, TX (March 20, 2013) Remember JD, the little pup from the San Antonio Humane Society who everyone fell in love with a couple weeks ago? After six weeks of cage rest, JD is healed, perfectly healthy and available for adoption! Since being featured on TV, JD has been a star and is currently being featured in our adoption lobby where he is the first pet everyone sees when they walk in. Please stop by and see how this medical rescue story has turned into the chance for a family to find their new friend for life.
