

## FOR IMMEDIATE RELEASE

February 7, 2014

### Nothing Can Hold Us Down!

As a non-profit, the San Antonio Humane Society doesn't always have funds readily available to help care for those in need of medical attention; fortunately, the [Michaels Medical Rescue Fund](#) is in place to assist in instances as these. Recently, a number of injured animals have made their way to the San Antonio Humane Society. In fact, on Wednesday, January 22, Dudley, Dublin and Davis were all transferred to the San Antonio Humane Society from Animal Care Services.

Dudley, a dashing 6 year old Retriever mix, is heartworm positive and was suffering from a broken jaw caused from severe trauma. The SAHS surgical team had Dudley prepped and ready for surgery as quickly as possible. As a result, about a quarter of his lower jaw was removed. With his tail wagging and a delightful personality, he is currently on a wet food diet but with much needed practice and time, he should feel comfortable getting back to a normal dry food diet.

Dublin, Dudley's kennel mate and buddy, is a sweet 1 year old Retriever mix who, from unknown causes, fractured the head of his femur and was having some stability issues with his knee. He recently underwent surgery and seems to be feeling rather well. He is walking around at a slow pace but is adjusting quickly. We are sure that Dublin's kind demeanor will catch the attention of anyone he meets.

Davis is an absolutely adorable 3 year old Chihuahua mix who has been on cage rest for a pre-existing pelvis fracture and an injured left front elbow. This little guy has been feeling some discomfort and pain but is scheduled to have surgery very soon to help alleviate this as much as possible. After his surgery, we plan on giving Davis plenty of time to heal and adjust.

It is instances like these that truly tug at our hearts and show us that nothing can hold down these three amazing canine companions. They have a ton of love to share and once ready for adoption, will make any family a whole one. If you'd like to donate and help others in need, please visit the [Michaels Medical Rescue Fund](#) page for more info!

**SAHS Info:** *The San Antonio Humane Society is a non-profit, no-kill organization that has served Bexar County and its surrounding areas since 1952. We are not affiliated with the Humane Society of the United States or the ASPCA. Every year, the San Antonio Humane Society shelters, medically treats, and rehabilitates more than 5,000 animals that have been injured, abused, or abandoned until they are ready for adoption. **Our mission is to protect and improve the lives of dogs and cats by providing shelter, care, adoption, rescue, spay and neuter programs, and community education.***
