About The San Antonio Humane Society

The San Antonio Humane Society (SAHS) is a non-profit, no-kill organization that has served Bexar County and its surrounding areas since 1952. While many believe that the SAHS is affiliated with and receives funds from the Humane Society of the United States (HSUS), this is not the case. Therefore, donating locally solves a local problem. Every year, the SAHS shelters, medically treats, and rehabilitates approximately 5,000 animals. Many have been injured, abused, surrendered by their owners, or found as strays, and they remain in our care until adopted. Our mission is to protect and improve the lives of dogs and cats by providing shelter, care, adoption, rescue, spay and neuter programs, and community education.
