Whole Foods Market Supports SAHS Pets

5% Day Community Giving Program to Benefit the San Antonio Humane Society

SA, TX (September 18, 2017) The San Antonio Humane Society (SAHS) is honored to partner with Whole Foods Market during their 5% Day Community Giving Program at both San Antonio locations on Wednesday, September 20 from 8am-10pm.

That day proceeds will be gathered in an effort to support the SAHS and its pets. SAHS volunteers will be on site at the Quarry (255 E.Basse Rd, Suite 130, San Antonio, TX 78209) and Vineyard (18403 Blanco Rd., San Antonio, Tx 78258) locations from 10am-1pm and adoptable puppies will likely make an appearance as well. This is a great opportunity for the community to give back to local pets and offers them a chance to learn more about the SAHS's mission.

"It is because of partners like Whole Foods Market that the San Antonio Humane Society is able to continue its mission to improve the lives of dogs and cats every year. Recently our shelter has welcomed close to 400 pets in need due to Hurricane Harvey and as a result, our expenses have grown exponentially. Generosity as this makes what we do possible." states Nancy F. May, SAHS President/CEO.

About The San Antonio Humane Society

The San Antonio Humane Society (SAHS) is a nonprofit, no-kill organization that has served Bexar County and its surrounding areas since 1952. It is not affiliated with the Humane Society of the United States (HSUS) or the American Society for the Prevention of Cruelty to Animals (ASPCA) and does not receive regular financial support from them. Therefore, donating locally solves a local problem. Every year, the SAHS shelters, medically treats, and rehabilitates approximately 5,000 animals who have been injured, abused, surrendered by their owners, or found as strays, and they remain at the SAHS until adopted. Their mission is to protect and improve the lives of dogs and cats by providing shelter, care, adoption, rescue, spay and neuter programs, and community education.
