SAHS Works With PAART to Fly 20+ Pets to Pennsylvania

SA, TX (September 3, 2017) The San Antonio Humane Society (SAHS) is prepared to meet the Pittsburgh Aviation Animal Rescue Team (PAART), headquartered in Pennsylvania, at the San Antonio International Airport Monday morning (9:30am), September 4. After transporting 42 dogs by land this morning, PAART will be transporting 20+ pets to shelters up north by air.

As of Saturday, September 2, the SAHS has helped over 230 dogs, cats, puppies, and kittens affected by the storm and our staff are heading to the coast again to transfer more pets to the SAHS. For those looking to help assist the SAHS's Hurricane Harvey relief efforts, donations are being accepted through the Harvey's Heroes Emergency Fund at SAhumane.org/hurricane-harvey. This fund will help the SAHS offset growing expenses as the SAHS continues to shelter and care for pet evacuees and strays affected by Hurricane Harvey.

About The San Antonio Humane Society

The San Antonio Humane Society (SAHS) is a nonprofit, no-kill organization that has served Bexar County and its surrounding areas since 1952. It is not affiliated with the Humane Society of the United States (HSUS) or the American Society for the Prevention of Cruelty to Animals (ASPCA) and does not receive regular financial support from them. Therefore, donating locally solves a local problem. Every year, the SAHS shelters, medically treats, and rehabilitates approximately 5,000 animals who have been injured, abused, surrendered by their owners, or found as strays, and they remain at the SAHS until adopted. Their mission is to protect and improve the lives of dogs and cats by providing shelter, care, adoption, rescue, spay and neuter programs, and community education.
