## ADOPT AT THE SAHS DURING SOSY'S KITTEN BOWL SPECIAL

ALL CAT AND KITTEN ADOPTION FEES

**WAIVED**

**SUNDAY  
FEB. 4**

**12-7 PM**

EVERY ADOPTION ON SUPER BOWL SUNDAY HELPS OUR CHANCES OF WINNING  
A GRANT FROM NORTH SHORE ANIMAL LEAGUE AND HALLMARK CHANNEL!

**SA, TX (February 2, 2018)** While the greatest showdown in feline football history is happening on television this Sunday, the cats and kittens at the San Antonio Humane Society (SAHS) will be showing off *their* stuff to potential adopters during Sosy's Kitten Bowl Adoption Special!

**Sunday, February 4, all cat and kitten adoption fees are waived, and every adoption on Super Bowl Sunday increases the SAHS's chance of winning a grant from North Shore Animal League and the Hallmark Channel!**

As with all pets adopted from the SAHS, each cat or kitten receives their spay/neuter surgery, first set of vaccinations, microchip, flea prevention, collar, tag, and more before going to their forever home.

This special event takes place thanks to Sosy the Cat, who found her forever home, and wants all the pets at the SAHS to find theirs too!

The SAHS is a partner shelter during the Hallmark Channel's Kitten Bowl V and North Shore Animal League who are working with groups across the country to find loving, responsible homes for thousands of pets.

### About The San Antonio Humane Society

*The San Antonio Humane Society (SAHS) is a nonprofit, no-kill organization that has served Bexar County and its surrounding areas since 1952. It is not affiliated with the Humane Society of the United States (HSUS) or the American Society for the Prevention of Cruelty to Animals (ASPCA) and does not receive regular financial support from them. Every year, the SAHS shelters, medically treats, and rehabilitates approximately 5,000 animals who have been injured, abused, surrendered by their owners, or found as strays, and they remain at the SAHS until adopted. Their mission is to protect and improve the lives of dogs and cats by providing shelter, care, adoption, rescue, spay and neuter programs, and community education. More information can be found at [www.SAhumane.org](http://www.SAhumane.org).*
