About The San Antonio Humane Society

The San Antonio Humane Society (SAHS) is a non-profit, no-kill organization that has served Bexar County and its surrounding areas since 1952. The SAHS is neither affiliated nor receives funds from the Humane Society of the United States. Every year, the SAHS shelters, medically treats, and rehabilitates nearly 5,000 animals. Many are injured, abused, surrendered by their owners, or found as stray. All pets remain in our care until adopted. Our mission is to protect and improve the lives of dogs and cats by providing shelter, care, adoption, rescue, spay and neuter programs, and community education.
