**SA, TX (February 1, 2019)** This Sunday, while most are glued to their screens enjoying the greatest showdown in feline football history, Kitten Bowl VI, our San Antonio Humane Society (SAHS) cats and kittens will be showing off *their* stuff to potential adopters during Sosy's Kitten Bowl Adoption Special!

Thanks to Sosy the Cat, who found her forever home, and wants all the pets at the SAHS to find theirs too, all cat and kitten adoption fees will be waived on Sunday, February 3. Also, every adoption on Super Bowl Sunday increases the SAHS's chance of winning a grant from North Shore Animal League America and the Hallmark Channel! A goal of this partnership is to work with groups across the country to find loving, responsible homes for thousands of pets.

For those interested, each cat or kitten will receive their spay/neuter surgery, first set of vaccinations, microchip, flea prevention, collar, tag, and more before going to their forever home. To see all the pets available for adoption at the SAHS, please visit [SAhumane.org](http://SAhumane.org) or follow @SAhumane on Facebook, Twitter, and Instagram.

**About The San Antonio Humane Society**

The San Antonio Humane Society (SAHS) is a nonprofit, no-kill organization that has served Bexar County and its surrounding areas since 1952. As a local nonprofit, the SAHS does not receive government funding and are not affiliated with nor receive regular funding from the Humane Society of the United States (HSUS) or the American Society for the Prevention of Cruelty to Animals (ASPCA). Every year, the SAHS shelters, medically treats, and rehabilitates thousands of animals. Many are injured, abused, surrendered by their owners, or found as strays. All pets remain in our care until adopted. Our mission is to protect and improve the lives of dogs and cats by providing shelter, care, adoption, rescue, spay and neuter programs, and community education.
