About The San Antonio Humane Society

The San Antonio Humane Society (SAHS) is a nonprofit, no-kill organization that has served Bexar County and its surrounding areas since 1952. As a local nonprofit, the SAHS does not receive government funding and are not affiliated with nor receive regular funding from the Humane Society of the United States (HSUS) or the American Society for the Prevention of Cruelty to Animals (ASPCA). Every year, the SAHS shelters, medically treats, and rehabilitates thousands of animals. Many are injured, abused, surrendered by their owners, or found as strays. All pets remain in our care until adopted. Our mission is to protect and improve the lives of dogs and cats by providing shelter, care, adoption, rescue, spay and neuter programs, and community education.
