

FOR IMMEDIATE RELEASE

SAHS pets are looking for love this Valentine's Day – Adoption Specials Feb. 10-16

SAN ANTONIO – Feb. 9, 2021 – Open up your heart and find your new furry friend at the [San Antonio Humane Society](https://www.sahumane.org) (SAHS) this Valentine's Day! If you are interested in finding "the one" or a "sweet pair" don't miss out on our February Adoption Specials on Feb. 10 – 16.

All adult Pit Bull mixes will have their adoption fees reduced to just \$25. Give one of our Love-A-Bull and Kiss-A-Bull pups a chance and fall in love!

If you have double the love to give, then consider adopting a bonded pair! The adoption fees for all our bonded pairs will be waived thanks to our Guardian Angel Fund. Our pet adoption screening process still applies.

In addition, every dog and cat that is adopted during our specials will go home with a free month supply of flea and tick prevention.

**[Ready to adopt?](https://www.sahumane.org/adopt)** Follow our no-contact adoption process. All potential adopters must submit an online adoption application at [SAhumane.org/adopt](https://www.sahumane.org/adopt) and email our Adoption Team at [adoption@SAhumane.org](mailto:adoption@SAhumane.org) (please include the name of pet(s) and ID# on the subject line, and attach a government-issued ID and proof of residence). All information is reviewed on a first-come, first-served basis, and interviews take place over the phone. Please visit [SAhumane.org/adopt](https://www.sahumane.org/adopt) to learn more.

#### ***About The San Antonio Humane Society***

*The San Antonio Humane Society (SAHS) is a nonprofit, no-kill organization that has served Bexar County and its surrounding areas since 1952. As a local nonprofit, we are not affiliated with the Humane Society of the United States (HSUS). We do not receive funding from the federal government, the HSUS, or the American Society for the Prevention of Cruelty to Animals (ASPCA). Every year, the SAHS shelters, medically treats, and rehabilitates thousands of animals. Many are injured, abused, surrendered by their owners, or found as strays. All pets remain in our care until adopted. Our mission is to protect and improve the lives of dogs and cats by providing shelter, care, adoption, rescue, spay and neuter programs, and community education.
