SAN ANTONIO – May 18, 2022 – It was love at first sight! *Or first dental?* We're not sure, but Chihuahua mixes, Peanut and Cashew, met after their dental surgeries at the San Antonio Humane Society (SAHS), and the connection was paws-sitively adorable!

Nine-year-old Peanut was making amazing progress on his health journey when he first laid eyes on 3-year-old Cashew. Both pups were recently surrendered by their families who could no longer take care of them, and during their stay in our medical building, they quickly bonded and became inseparable.

To celebrate their love and recovery journey, the SAHS held a small, intimate wedding ceremony today surrounded by staff, volunteers and closest friends. The event included a beautiful walk down the aisle, bubbles, music and cake, of course.

Peanut and Chestnut are now available for adoption at the SAHS and are so excited to meet their new families. Although we would love to see them continue their lifelong honeymoon fur-ever together, Peanut and Cashew do not have to go home together. It was a short summer fling after all. How does the saying go? 'Til adoption do us part? Something like that!

If you'd like to give Peanut and Cashew a forever home (either together or separately), visit them at the SAHS today! The SAHS, located at 4804 Fredericksburg Rd., is open every day from noon to 7 p.m.

About The San Antonio Humane Society

The San Antonio Humane Society (SAHS) is a nonprofit, no-kill organization that has served Bexar County and its surrounding areas since 1952. As a local nonprofit, we are not affiliated with the Humane Society of the United States (HSUS). We do not receive funding from the federal government, the HSUS, or the American Society for the Prevention of Cruelty to Animals (ASPCA). Every year, the SAHS shelters, medically treats, and rehabilitates thousands of animals. Many are injured, abused, surrendered by their owners, or found as strays. All pets remain in our care until adopted. Our mission is to protect and improve the lives of dogs and cats by providing shelter, care, adoption, rescue, spay and neuter programs, and community education. SAhumane.org
