

Charley (aka Arrow)

Hello. I adopted Charley on February 14, 2011. My daughter and I decided to find a dog to add to our family. We went to the shelter after I got off work on Valentine's Day! We spent quite awhile looking around for the one we wanted to take home. We went into the puppy room which is where Charley (known as Arrow at the Humane Society) was. We didn't pay much attention at that time. We went into one of the kennels and looked around. Even went to the cat room (just to see) and after all that decided to go back to the puppy room.

When we went back we noticed Charley (known as Arrow) there. He had just been neutered that very day. He wasn't feeling too well. I decided to check him out. My daughter and I took him in the room and instantly he went to her. He wanted in her lap. We loved on him and talked to him. After the 20 min. we decided to take him home.

Charley has been such a joy since day one. He has adjusted very well, He loves his new home. He loves to go outside and loves to walk esp. when my daughter takes him! He is very loving and energetic. Such a great addition to the family!

With much thanks

Laura
