

Rambler

Our life with Rambler has been nothing but joy! We chose to adopt to help a dog find a home but Rambler was the one who had so much love to give to our family. He already finished "Puppy Training" and was promoted to intermediate class. He follows basic commands, loves meal time, enjoys a daily walk and loves to get wet. He also has a favorite blanket and a toy called Mr. Wiggles. He loves a belly rub almost any time you pet him... He has many friends in the neighborhood and at "Doggie Day Camp." Rambler was the perfect dog for our family!

Sincerely,
The Martin Family
