

Sophie

Hi,

Little Sophie has been a energetic addition to our household, we have two other dog's. Poodle and American Eskimo, they get along real good with each other, the Poodle and Sophie run marathons in the yard chasing each other.

Then Sophie goes to have her daily swim, she loves it. She has learned how to get out of the pool by herself.

She is a real sweetheart and has become Daddy's girl.

Regards Erkki
