Merry Christmas San Antonio Humane Society

Last year during the Christmas Holiday Laila (formally known as “Kisses”) found her forever home. She was 2 months old and weighed 5 lbs. Laila is now 1 year and 2 months and weighs 80lbs. She is full of energy and loves to play with all her toys, especially the toys that can float and be taken to the Boerne Lake. She loves people and the attention she gets, and she gets a lot of attention especially when attending puppy classes at Petsmart. Laila’s favorite thing to do is have cuddle time with her Mommy. Laila has been a blessing and both Laila and her Mommy are very happy they found each other.
