

Abbee

July 12, 2013 - I found this sweet little girl waiting for her FURever home at the San Antonio humane society. I fell in love with her as soon as I saw her! Her name was "dawn" at the kennel but I felt like it just didn't fit! So I changed it to Abbee! And it fits her well. She's so sweet and loving! I'm so very blessed to find this sweet girl! I can't explain how spoiled she already is! Thank you so much San Antonio humane society!! :)
