

## Coco

I adopted a beautiful little kitten from you guys in June of 2008 who now goes by the name of Coco. Her name suits her perfectly as she is a classic, stubborn Calico.

She knows exactly how beautiful she is and makes it her life's mission to get everything that she wants. When she is not snoozing right next to me, she makes her presence known by getting in my face and meowing (yelling) at me. She loves everyone she encounters, especially men (go figure). She now has a sweet little brother named Pepper who she loves to both wrestle and cuddle with.

Thank you so much for bringing this amazing little girl into my life. I don't know what I would do without her!

Lilly
