

Jean

I don't know if you guys remember Jean, the Siamese tabby with the most gorgeous blue eyes I've ever seen. I adopted her last year and they told me she was a little cranky. This kitty has brought so many good things to my life and improved my college life so much! I hope you guys can put a picture of her on your page. She's just too cute! Thank you for putting her in me and my roommate's life! Jean is now 11 months and loves to sit on people's faces :)
