

Lucy

Hello SA Humane Society!

We adopted Lucy in November of 2011. I can honestly say that she brings such joy into our lives! She has such a sweet personality, lots of energy, and LOVES walks! Her right ear never goes down so we have lovingly nicknamed her our "one ear up puppy". Everyone who meets her instantly falls in love with her. I encourage everyone to adopt from the San Antonio Humane Society. They do such awesome work and when you support them, you're always supporting a great cause. Go find your own Lucy today!

Love,

Andrew, Sarah, and Lucy Elizalde
