

Maggie

Howdy Y'all!

My Name is Denise and my husband and I adopted Maggie (Darcy) on October 2013. She just turned 3 months and she is incredibly smart. She loves to play with her older sister Cami a 7 year old Bichon Frise.

Thank you to the San Antonio Humane Society for letting us add this beautiful fun loving puppy to our family. The work this organization does for these animals is amazing. Maggie has added such joy into our lives and not to mention given Cami a forever sister. We wanted to share how great our experience was in adopting her and having

her at home in hopes that other families who are contemplating in adopting a pet choose a pet that will forever change their lives for the better.

Thank you again and Happy Tails to all! :)
