

Maya, Zeke and Jazmyn

Hello!

We have adopted 3 of our 4 furry children from y'all. We adopted Maya and Zeke September 2009- they are my little babies. They are brother and sister and just melt my heart. They are the happiest pups and have brought so much life to our house. We also adopted Jazmyn (Jazz) from y'all in spring 2010. She was just a puppy at that time and loved to chew- she ate 2 pairs of my shoes!! She is now about 3 1/2 years and has been a great addition to our family. She is loving, playful, and a great watch dog

Thanks for giving us the opportunity to give these furry ones a warm, loving home! They are some spoiled pups!
