

Opie

My husband Scott and I enjoyed the tour at the SAHS so much last night. We have been supporters of the SA Humane Society for years.

We adopted Opie (Hunter) in November of 2008 after losing our beloved Buzz. We brought our Chow Mix, Miss Kitty in and she and Opie hit it off. Opie had been brought in by ACS and was in terrible shape after being abandoned by his owners. After your staff nursed him back to health, we adopted him as part of our family. Kit passed away at the age of 17 in December 2011. At that time, my husband had rescued a black Lab/Golden mix who we named Chili. Chili and Opie became very close and attended your obedience class together.

Opie was a wonderful, loving, sweet, funny companion and we loved him with all our hearts. Opie was diagnosed with an inoperable mast cell tumor in March 2012. We provided in-home hospice care for him until he passed away in July 2012. We miss him very much. Chili has adjusted to being an only child, but after last night, we might be bringing him in to meet a little black dog that we spotted!!

Thanks again for everything you do and we will continue to support you in every way that we can.
With love, Lynda
