

Oso and Lee'On

I wanted to share how much we love our pets! We adopted Oso, the shepherd mix, about 2 years ago and just absolutely love him. We adopted Lee'On, the cocker spaniel mix about 3 months ago. He is like a new baby in a home! Brought new joy, we adore him. Our bigger dog LOVES him. They are BFFs. Every morning, the puppy runs around and looks for his buddy. Then just jumps and cuddles with him. All these pets want is love and affection. My life wouldn't be the same without them. **ADOPT!**
