

Simba

I wanted to let the humane society know that my family adopted Simba and he is truly a wonderful handsome young man! He was so easy to potty train. My mother's Dachshund who Simba plays with had a hand in getting young Simba potty trained. He is a very loving boy who has such a special place in all of our hearts.

The little white puppy is Simba and the dachshund is my Mom's her name is Aubrey and they are great pals.

We look forward to watch him grow up to be a remarkable young man!

Best Regards,
Denise
