

Tye

This is Tye! Known as "Dizzy" when he used to live at the SA Humane Society. Tye has grown to be about 90 lbs. He absolutely loves going to the dogpark and taking baths too! He cuddles by mama every night. for his special treat, daddy takes him to doggie day camp twice a month to play with the other dogs. He has made a permanent spot in all our hearts and we couldn't be happier without him!
