

# Ally

Me and my husband rescued Ally 9/30/2013 she's a pit bull mix. When we got her she was very shy and quiet. It took her a few weeks to get settled in but once she did gosh she just turned into the best dog we've ever owned.

She's super playful and polite also loves her sister Roo who is a Chinese Crested. An odd pare haha but they are the best of friends. We moved into a new home in the suburbs and Ally just loves it shes spoiled rotten.

Thank you for giving us a friend for life.
