

Bailey

Hi Everyone it's me Bailey (previously known as Pippa). Thank you SAHS for helping find my forever home. It's been a little over a month and I am loving my home! I have a new brother Jax and he's just a puppy but he is the one showing me the ropes as he has been here for 6 months and he is already my best friend! I love my Mommy... She is always calling me her baby, but I'm there years old!!! What's that about, my favorite thing is the hugs I get all the time. I pray all my friends at SAHS find a home!! Thank you again! *Bailey!
