

Daisy

I adopted Daisy from the San Antonio Humane Society on December 10th, 2013. She was 5 pounds and scared as could be. Now Daisy is almost 11 pounds with the most hilarious and charming personality I've ever seen. She is my very best friend and even though I rescued her, she rescued me. I recently underwent surgery and Daisy laid on my chest the entire time I was out, just to make sure I was okay. I couldn't be luckier to have found her!
