

# Gambit

Hey, everyone! A week ago today, I adopted "Sonny." Just wanted to let you know what an AWESOME doggy he is. First off, I changed his name to "Gambit." He's been all over the city, the riverwalk, Mad Hatters, and pretty much goes everywhere with me. Just the sweetest dog to everyone he meets....and he's met A LOT of people...and a few dogs. He's totally "Dug" from the movie UP sometimes...."Squirrel!!" Anyway, thank you so much.

Attached are a couple of pictures.

All the best - Kelly
