

Howie

After rescuing our first "fur-baby" I couldn't wait to rescue another. Christmas 2013, my husband surprised me with Howie (previously "Dan") and he was the best Christmas gift ever! Your staff at SAHS took the time to meet with my husband, and

allowed him to make multiple trips to play with Howie before he was able to bring him home. My husband said he knew right away Howie was "the one."

Howie is a true boy! He loves camping, playing in the dirt, and fetching sticks. He is, however, quite the snuggler.

The SAHS is amazing. Your love for animals knows no bounds, and we will forever be grateful for bringing us the missing piece to our family puzzle!
