

# Jasper

MY BABYS FIRST BIRTHDAY!!! Thanks to your awesome society, I adopted my puppy when he was 2 months old. It's been an incredible journey with him, I loved him from the moment I met him. I like to say we found each other. Here he is, you all knew him as Sammy, I renamed him Jasper, he is the sweetest, energetic, and cuddliest puppy!!! Feb. 23, 2014 is his first birthday.

Thank you for my babylove!
