

Leila

I just wanted to send you a message to thank you for bringing such joy into our lives! I wanted to send a picture of Leila (aka Dakota) who we adopted on January 31st 2014. So far she's only 4 months old but we are seeing her grow every day! She loves playing with my 2 year old niece and we take her to the dog park almost everyday to get her exercised! She runs to the car ready to get going and is such a people pleaser!

We just finished her puppy obedience class and are hoping to enroll her in the next level to keep her mind busy. Everyone compliments her on her looks and she's been quite the ambassador for the Humane Society as well as Rottweiler mixes everywhere!

Next month we're taking her to the lake and camping- we look forward to many more adventures in the future.

Thank you for all of your work and I hope this happy story encourages more people to adopt
