

Mia

I wanted to share with you all an update on a precious dog we adopted back in July of 2013. Her name was Albany at the time and now she goes by Mia. She had her front leg amputated and needed a home. When we walked in we did not realize she was missing a leg but when we took her out to play, we were surprised and fell in love! We adopted her the next day not knowing she was on the

news two nights prior looking for a home. She is a wonderful addition to our family and as you can see in the picture she fits right in!!
Thank you all for what you do!
Natalie
