

Naku

My boyfriend and I adopted Orangie (Now Named Naku) on October 1st, 2011. He is pictured on the left in the MySA article (<http://www.mysanantonio.com/life/pets/article/Pet-Project-Two-s-company-when-it-comes-to-kitty-2202630.php>). He has been an awesome addition to our little family. He likes to hog the bed, beg for food at the table and makes the strangest noises. I'm so glad we adopted such a sweet kitty! He has never been mean to us, had any accidents (beside that one time we locked him out of his litter box), or coughed up any hairballs! He is the most perfect cat for us! Thank you SA Humane Society.
