

# Simon

Hello I wanted to commend you all on the work you do! And to say thank you! I adopted my dog Simon, then named Ricochet, as an 8 week old puppy from you back in February of 2007. He has been the best friend and companion I could have ever hoped for. He had his 7th birthday on December 19th and is still full of the life and energy I loved so much about him when I picked him.

Happy New Year from me and Simon!

Jeana
