

Walee

Just wanted to let y'all know I completed 3 years with my Walee (he was named Wasail before). I adopted him from your shelter on December 17, 2010. He has been on of the greatest dogs I've ever had! I just wanted to thank y'all for finding him for me to love him with everything I have! Just wanted y'all to know he's been in good hands ever since!
